

# INTEXA

ARCHITECTURAL TIMBER SYSTEMS

WOODINEX

FENCE

## PRODUCT FACT SHEET

Transform your fence using Intexa's Woodinex fencing designs. Using Australian sourced and manufactured timber, the unique profiles enable you to create your own customised design. Available in CCA and arsenic free treatments with a variety of pre-finished oiling options ensures versatility for all applications.

## FEATURES + BENEFITS

- Tongue & groove style profiled edges, eliminating gaps
- Combination of palings & battens creates large visual shadow-line effect
- Available in multiple sizes (up to 3m high)
- Variation in design
- Made from Australian Timber
- Available in Pine and Hardwood (see below matrix)
- Available in both smooth and rough-sawn finish
- Timber is preservative treated with either CCA or non-arsenic treatments
- Pre-finished option available

## IDEAL USES

- Residential and estate boundary fencing
- Privacy fencing for multi-residential dwellings
- Entrances to estates
- Non Arsenic treatment can be used in public facilities, parks, etc.
